

NAUTI-NAUTI

NAUTI-NAUTI puts the “Yacht Rock” in “Rock”ford!
Join us to set sail through the cool, crystal-blue ocean waters of the 1970s and the pre-MTV 1980s with instantly recognizable “earworms” reminiscent of happier times of endless summers, 8-track players and transistor radios.

If you love the Doobie Brothers, Steely Dan, Pablo Cruise, Boz Scaggs, Billy Joel, Linda Ronstadt, Christopher Cross, Toto, Little River Band, Carly Simon, Atlanta Rhythm Section, Jackson Browne, Gerry Rafferty, Ambrosia, Fleetwood Mac, Carole King and sing-along one-hit wonders, you'll love Nauti-Nauti!

Come on board and sail away with us!

- “THANK YOU. The 2022 Rockton River Market season has come to a close, and boy, did it sure go out with a bang with **THE MOST PEOPLE EVER at a single market date.** We had over 10,000 people attend this year, and that’s pretty phenomenal.”
